1. OPENING REMARK BY THE VICE-CHANCELLOR, CHAIRMAN IQAC

Dear members I'm delighted to address our agenda, which focuses on crucial aspects pivotal to the holistic development of our university and, most importantly, our students. Our Action Plan for Conducting Offline Teaching and Learning Processes underscores our commitment to providing a comprehensive educational experience, ensuring that our students receive the highest quality of instruction and support after the devastating Covid -19 and after loss of huge class room teaching . Development Programs for Students are instrumental in shaping well-rounded individuals equipped with the skills and knowledge necessary for success in their chosen fields. Furthermore, our focus on Best Practices of the University on Mentorship Programs emphasizes our dedication to nurturing talent and guiding the next generation of leaders.

Inviting Research Project Proposals signifies our commitment to fostering a culture of innovation and academic excellence. Lastly, our endeavors in Fostering Entrepreneurship and Innovation highlight our commitment to equipping students with the entrepreneurial mindset and skills essential for thriving in today's dynamic world. Together, let us embark on these initiatives wholeheartedly, ensuring the comprehensive development of our students and the continued success of our university.

2. CONFORMATION OF MINUTES OF LAST MEETING

With no further comments received, the minutes of the 22/2 IQAC meeting were approved and distributed. Subsequently, the floor was opened for discussion.

3.0 PRESENTATION OF THE ACTION TAKEN ON PREVIOUS IQAC MEETING BY DIRECTOR (IQAC)

The Director IQAC presented the action taken report of the previous IQAC meeting.

4.0 PRESENTATION BY THE HEAD OF DEPARTMENT ON ACTION PLAN FOR CONDUCTING OFFLINE TEACHING AND LEARNING PROCESSES

The Heads of Departments from their respective departments presented their departmental academic timetables and action plans for the teaching-learning process. These plans had been significantly disrupted by the COVID-19 lockdown. The Vice-Chancellor emphasized the importance of making these plans student-centric and urged them to devise strategies to mitigate the losses incurred during the lockdown period.

5.0 CAREER DEVELOPMENT PROGRAMS FOR STUDENTS BY THE DEPARTMENTS

The Faculties of Management, Agriculture Science and Technology, Life Science and Technology, and Engineering Technology unveiled their career development programs for the current academic session. These initiatives aim to foster skill enhancement and facilitate student placement opportunities.

6.0 DISCUSSION ON BEST PRACTICES OF THE UNIVERSITY ON MENTORSHIP PROGRAMS TO SUPPORT STUDENTS

The Director IQAC presented that at AKS University one of the best practice is mentorship programs that transcend academics to ensure student success. These meticulously crafted programs provide holistic support, nurturing both personal and professional growth. With guidance from experienced faculty and industry experts, students receive invaluable advice and encouragement through individual and group interactions. By aligning mentors with students' interests, we foster meaningful connections that inspire confidence and ambition. The Vice-Chancellor lauds the initiative, urging a student-centric approach to further enhance its impact. At AKS, mentorship isn't just a program; it's integral to our commitment to empowering students academically, professionally, and personally.

7.0 INVITATION FOR RESEARCH PROJECT PROPOSALS BY THE VICE CHANCELLOR

To enhance research and development initiatives, the Vice Chancellor urged all Heads of Departments and faculties to submit research proposals for projects to be conducted within the University. Funding will be provided by the university for these endeavors.

8.0 FOSTERING ENTREPRENEURSHIP AND INNOVATION IN THE UNIVERSITY FOR DEVELOPMENT OF THE STUDENTS .

Dr. Harshvardhan, Pro Vice Chancellor (Development), highlighted the University's distinctive commitment to fostering entrepreneurship and innovation among students, aligning with the Startup India initiative. Numerous students have benefitted from these programs, initiating their own ventures, particularly in the agricultural sector. He encouraged departments to persist in organizing such initiatives within the University to uphold its motto, "University with Difference." These programs not only empower students but also contribute to the broader goal of nurturing a culture of innovation and enterprise within the institution. Dr. Harshvardhan's presentation underscored the University's dedication to providing unique opportunities for student development, ensuring that graduates are equipped not only with academic knowledge but also with the entrepreneurial skills necessary for success in today's competitive landscape.
